Educating 6th, 7th, and 8th grade girls
from all cultural and economic backgrounds
to foster emotional growth and intellectual strength

- Small (capacity of 45 students)
- Single-gender (girls discovering and developing their individual voices)
- Diverse (35% of students are non-Anglo; 20% of students receive tuition assistance)
- Affordable (financial aid available)
- Core academic staff to student ration (1:9)
- Socratic seminars (encouraging creative, critical thinkers)
- Rigorous high school preparatory curriculum (enriched by cross-grade fine arts program)
- Field-based environmental science (on Santa Fe River)

Graduates consistently test in the top 16% of the nation's students.
